[L.S.] AULAY MORRISON,
Administrator.

CANADA:

PROVINCE OF BRITISH COLUMBIA.

GEORGE THE SIXTH, by the Grace of God, of Great Britain, Ireland, and the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come—
GREETING.

A PROCLAMATION.

T. D. PATTULLO, } WHEREAS in and by
Attorney-General. } an Act of the Legislature of the Province of British Columbia passed in the session thereof held in the first year of the Reign of His former Majesty King Edward the Eighth, chaptered fifty-two, and intituled "An Act respecting the Revised Statutes of British Columbia," it is recited that it had been found expedient to revise and consolidate the public general Statutes of the said Province, and that a draft revision and consolidation had been made and printed under the directions of the Attorney-General, and had been laid before and examined by the Select Committee of the House on Statute Revision; and that it was expedient to provide for the correction of any inaccuracies which might be found in the said draft revision and consolidation and for the incorporation therewith of the public general Statutes passed during the said session or during any other session of the Legislature held in the year 1936, or which might otherwise be given the force of law by any competent authority as hereinafter mentioned, and for giving the force of law to the body of the Revised Statutes as so corrected, incorporated, revised, and consolidated:

AND WHEREAS it was thereupon by the said Act amongst other things in effect enacted as follows:—

THAT the Legislative Counsel, under the direction of the Attorney-General, shall incorporate with the said draft revision and consolidation any public general Statutes passed at the said

session or which might be passed during any other session of the Legislature held in the year 1936, and any amendments to any of the Statutes contained in the said draft revision and consolidation made during the said session, or which might be made during any other session of the Legislature held in the year 1936, including such Statutes and amendments as are not to come into operation immediately, but which are expressed to come into operation at a time fixed therein or are brought into operation by competent authority under powers delegated by the Legislature before the day on which the Legislative Counsel completes his work and makes his report pursuant to section 3 of the said Act, and including also such other public general Statutes and amendments to public general Statutes, whenever passed or however made, as are brought into operation or given the effect of law by competent authority under powers delegated by the Legislature before the day on which the Legislative Counsel completes his work and makes his report pursuant to said section 3, and shall, so soon as he has done so and has completed his work, through the Attorney-General report the same to the Lieutenant-Governor, and shall deposit the result of his work with the Provincial Secretary;

AND THAT in carrying out his said work the Legislative Counsel shall prepare and arrange the said Statutes for publication, and may alter their numbering, and the arrangement of the different sections thereof where considered necessary or advisable, and may make such alterations in their language as are requisite in order to preserve a uniform mode of expression, and may make such minor amendments as are necessary to bring out more clearly what is considered to have been the intention of the Legislature, or to reconcile seemingly inconsistent enactments, or to correct clerical or typographical errors, and may omit from said revision any Statutes or parts of Statutes which, although printed among the public general Statutes, have reference only to a particular place or municipality, and have no general application throughout the said Province; and may also omit from the said revision such public general Statutes and amendments to public general Statutes, whenever passed or however made, as are repealed or stopped from having the effect of law by competent authority under powers delegated by the Legislature or otherwise; and shall prepare a comprehensive index for the whole;

AND THAT as soon as the Legislative Counsel has deposited the result of his work, as so provided, the Lieutenant-Governor may cause a correct printed Roll thereof, attested under his signature and countersigned by the Provincial Secretary, to be deposited in the office of the Provincial Secretary, which Roll shall, subject to certain provisions in said Act contained, be deemed to be the original Statute Laws of the said Province therein contained, and of the several Acts and parts of Acts which it purports to embody or for which it purports to be substituted;

AND THAT the Lieutenant-Governor may by Proclamation declare a day on, from, and after which the said Roll, or such portion thereof as he considers to be in compliance with section 4 of the said Act, shall come into force and have effect as law by the designation of the "Revised Statutes of British Columbia, 1936"; but that the marginal notes thereon and the references at the end of the several sections thereof to former or other enactments shall form no part of such Statute Laws, and shall be held to have been inserted for convenience of reference only;

AND THAT on, from, and after the day so declared, the said Roll, or such portion thereof as may be designated by the Proclamation, shall come into force and have effect accordingly, to all intents as if the same were expressly embodied in and enacted by the said Act to come into force and have effect on, from, and after that day:

AND WHEREAS the said Legislative Counsel has carried out and completed his said work, and has reported the same, and has deposited the result of his work pursuant to the said Act:

AND WHEREAS Our Lieutenant-Governor has caused a correct printed Roll of the said revision and consolidation, as so deposited, attested under his signature and countersigned by Our Provincial Secretary, to be deposited in the office of the said Provincial Secretary:

AND WHEREAS it appears to Our Lieutenant-Governor that the whole of the said Roll is in compliance with section 4 of the said Act:

NOW KNOW YE that We do by these presents Proclaim and Declare that on, from, and after the thirtieth day of June, 1937, the said Roll, so attested and deposited as aforesaid, shall come into force and have effect as law by the designation of the "Revised Statutes of British Columbia, 1936."

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, The Honourable AULAY MACAULAY MORRISON, Administrator of the Government of Our said Province, this fourth day of June, in the year of our Lord one thousand nine hundred and thirty-seven, and in the first year of Our Reign.

2. That the minimum wage for every skilled tradesman in the construction industry on Vancouver Island, in the City of Vancouver, the City of New Westminster, Municipality of the District of West Vancouver, the Municipality of the District of Burnaby, and the Municipality and District of North Vancouver shall be the sum of seventy-five cents (75c.) per hour.

3. That the minimum wage for every common labourer in the Construction Industry (not included in any other Order of the Board):—

That whereas conditions during the past few years have made it impossible for a number of young men to acquire sufficient knowledge and experience to enable them to obtain employment on a parity with expert and fully skilled tradesmen, and that the said young men by reason of circumstances cannot become apprentices under the "Apprenticeship Act," and that in the interests of all concerned, and in justice to the said young men, some legitimate provision should be made for their welfare whereby within reasonable time they may develop into fully skilled tradesmen:

Therefore it shall be permissible for any employee in the circumstances cited above to make application to the Board, by statutory declaration on a form provided by the Board, to be employed at a lower rate than the rate fixed in section 2 hereof.

After due investigation the Board, on being satisfied with the bona fides of such application, may issue to the applicant a special permit in writing setting out the minimum wage to be paid to the employee named thereon, for the period specified on the permit.
